Wines of Exceptional Value

Burger Bob Catering Pre-Order Program

Book your special occasion function and select a wine(s) through our Pre-Ordering Program.

You receive a wide range of fine wines to choose from and you pay a modest markup rather than the normal markup applied to wine in catering and restaurant establishments.

If in the event you purchase more than what is needed, you take it home for your own use.

The benefits of the Pre-Ordering Program are numerous. You are able to select fine wines to pair with your food selections and enjoy the savings!
