GOLF ETIQUETTE

SLOW PLAY

- It is important that all golfers keep a steady pace when playing golf.
- Always remember to keep up with the group ahead of you.
- If playing slow, please pick up your ball and move along, or let the group behind play through.
- If you wish to play through a group, always remember to ask politely.
- If they agree, play through as quickly as possible and remember to say "Thank You".
- High handicap Juniors are asked to always play from the YELLOW TEE blocks.

REPAIRING DIVOTS

- Everyone wants to play on a good golf course.
- If you take a divot when playing a shot, please take the time to replace the divot or fill the divot with sand from sand bottles available outside the Pro Shop.

FIXING BALL MARKS

- When a ball lands on the green, many times the force of the impact leaves an impression known as a BALL MARK.
- It is your responsibility to repair your ball mark.
- It is good golf etiquette to repair other ball marks found on the green.
- A ball mark repair tool is available for pick up in the Pro Shop.
- If you do not know how to repair a ball mark, please ask our staff who are happy to assist you.

RAKING SAND TRAPS

- After hitting a ball from a sand trap, it is important that you take the time to rake the trap so that it is smooth for the next golfer.
- Please leave the rake outside the trap.

LANGUAGE & BEHAVIOUR

- Please remember that when you are on the property, you are representing the entire Junior Program.
- Foul language and poor behavior is unacceptable and may be subject to disciplinary action.

DRESS CODE

- All players are required to meet the dress code of the Club as explained on the back page of this pamphlet.
- Please read the dress code carefully to make sure that you are properly dressed when coming to the course.
